KWR – Outside counsel to myneva in the acquisition of MOCCA Software GmbH

Vienna, 10 October 2022

KWR acted as outside counsel to myneva Group in the acquisition of all shares in MOCCA Software GmbH. The latter company originated in the Klagenfurt-based company ILOGS; its product MOCCA ONE made it the market leader in software for mobile care. It offers an integrated software solution for the social and health-care sectors, in particular in mobile/ambulatory home care nursing and 24-hour care. Thus, myneva is now not only the Austrian market leader in in-patient nursing and care software but also takes the lead in mobile care software.

The transaction team of KWR was headed by partners Thomas Haberer and Gerold Wietrzyk (both Corporate). Further team members were Anna Mertinz (partner, Employment Law), Elisabeth Plese (associate, Employment Law), Stefanie Präauer (associate, Corporate) and Alexander Höller (attorney at law, IP/IT).

WMWP Rechtsanwälte (Paul Koppenwallner, attorney at law, and Martin Mutz, attorney at law) acted as counsels to the seller.
